

**Report | Company | Chronological Events**

S No	Month	Year	Event
39	February	2024	Book available online: <i>Lecture Notes in WordPress</i>
38	January	2024	Derived book named <i>Full Stack Web Development with MySQL</i> is available online
37	December	2023	Book published online: <i>Lecture Notes in XML</i>
36	July	2023	<i>Lecture Notes in Database Management Systems</i> is published online
35	February	2023	Book entitled <i>Lecture Notes in Internet Concepts and Web Design</i> has been published online
34	October	2022	<i>Lecture Notes in Bootstrap</i> has been published
33	September	2022	<i>Lecture Notes in PHP and MySQL</i> is available online
32	July	2022	<i>Lecture Notes in JavaScript and jQuery</i> has been published
31	May	2022	Book publication: <i>Lecture Notes in SQL</i> is available online
30	April	2022	<i>Lecture Notes in HTML and CSS</i> is available online
29	January	2022	<i>Elements of Computing</i> has been published online
28	January	2022	<i>GATE – Computer Science and Information Technology</i> is available online
27	January	2022	Book publication: <i>Elements of Languages, Automata and Computations</i>
26	November	2021	First edition of <i>Elements of Algorithm Design and Analysis</i> has been published online
25	September	2021	<i>Elements of File Structure</i> is available online
24	July	2021	<i>Elements of Programming Techniques using C</i> is available online
23	June	2021	Book published online: <i>Elements of Computer Networks</i>

S No	Month	Year	Event
22	June	2021	<i>Elements of Software Systems</i> has been published online
21	April	2021	First edition of <i>Elements of Compiler Construction</i> has been published online
20	March	2021	Book publishing : <i>Elements of System Software</i>
19	February	2021	Version 3.0 of our website has been launched
18	December	2020	Elements of Computer Organization and Architecture, Edition 1, has been published online
17	October	2020	Book entitled <i>Mathematics for Computer Science and Information Technology</i> has been released online.
16	October	2020	<i>Mathematical Foundations of Computer Science - III</i> , Edition 1, has been published online.
15	August	2020	<i>Elements of Probability Theory</i> , Edition 1, has been published online.
14	June	2020	First edition of book entitled <i>Elements of Database Management Systems</i> has been published online
13	May	2020	Our magazine receives an ISSN.
12	April	2020	First edition of book entitled <i>Elements of Calculus</i> has been published online.
11	January	2020	First edition of book entitled <i>Elements of Data Structures</i> has been published online.
10	December	2019	Our website of <i>version 2.0</i> has been released.
9	November	2019	First edition of book entitled <i>Elements of Graph Theory</i> has been published online.
8	August	2019	First edition of book entitled <i>Elements of Operating Systems</i> has been published online.
7	May	2019	First edition of book entitled <i>Elements of Switching Logic and Circuit Design</i> has been published online.
6	February	2019	First edition of book entitled <i>Mathematical Foundation of Computer Science - II</i> has been published online.
5	October	2018	First edition of book entitled <i>Elements of Software Engineering</i> has been published online.
4	July	2018	First edition of book entitled <i>Elements of Object Oriented Programming using JAVA</i> has been completed and published.
3	November	2017	First version of our website is developed and hosted by us.
2	August	2017	First edition of book entitled <i>Mathematical Foundation of Computer Science - I</i> has been Completed and published.
1	July	2017	Company is registered under Ministry of Corporate Affairs, Government of India
